

Before Service Begins:

- Make sure your Life Group is all watching one of the online services together.
- Communicate to your Life Group how you will connect following the service (Facetime, Facebook Messenger, Zoom, Skype, Google Hangout, etc)
- Grab your Bible and Notebook, and get ready for an amazing service!

Tips for an amazing Welcome Home to Church Online experience:

- Watch the service on your largest screen – *it'll feel more like you're "there"*
- Sing along loud and proud with the worship team
- Lean into the message – *say "amen," clap, shout, use your Bible & take notes*

Sermon Specific Questions:

1. One of the things the Lord told Elijah in 1 Kings 19:15-16 was to anoint Elisha as his successor. Who are you intentionally bringing along your spiritual journey to encourage and strengthen in their walk with the Lord? Who can you reach out to this week to connect with and encourage?
2. 2 Kings 2:1 we see that the first place to be in order to receive a double portion is Gilgal – *the place of separation*. What is something that you feel the Lord is asking you to separate yourself from and cut away from your life physically, emotionally, financially, or relationally?
3. In 2 Kings 2:2-3 Elijah and Elisha go to Bethel – *the place of consecration*. What does consecration mean and look like in your life? Sacrifice, worship, and commitment are all elements of consecration – which of these will you be more intentional about this week?
4. We see that the final place to receive a double portion in 2 Kings 2:4 is Jericho – *the place of occupation*. How do you move beyond visiting a place of God's presence & blessing and move to a place of occupying and continually experiencing all God has?
5. In 2 Kings 2:9 Elisha asked for a double portion. What does a "double portion" look like for your life, as well as the church? What bold request are you asking of God right now?
