

### **This Week's Icebreaker Question:**

- If you could only eat one dessert for the rest of your life, what would it be?

### **Sermon Specific Questions:**

1. What is something that God is continuing to draw your attention to/speak to you about during this sermon series through the book of Philippians?
2. Read Philippians 2:5-8, Mark 10:45, 2 Corinthians 8:9. In our day-to-day living we can be quick at times to move past what Jesus already did on our behalf and focus on what we want him to do for us today. Why is it important to slow down and process what these verses are saying? How will these verses influence the way that you pray this week?
3. Verses 6-8 describe the humility of Jesus. If you were to describe someone as being a humble person, what would be some of his or her traits, actions, and characteristics? Do you feel like this is an area of your life that you have grown in? Looking at the week ahead, what are some practical ways you can reflect Christ-like humility?
4. Verse 7 says that Jesus took on the form of a servant, and we read of the example Jesus showed his disciples in John 13:3-5, 12-17 when washing their feet. Even after reading these verses, why is it that we are still hesitant at times to take a servant position or role? What does taking on a servant role in your current context at home, work, church, etc. look like?
5. Philippians 2:8 says that Jesus humbled himself by becoming obedient and through His obedience that lead to the cross, we are now blessed to receive salvation. Humility and obedience often work in tandem, and blessing follows obedience, so what are some benefits and blessings you have experienced by being humble and obedient?
