

- In-Person Life Groups Relaunch: Life Groups can meet in person, and we would ask that you limit your gatherings to 25 (adults and children). This number will be evaluated weekly and we will keep you informed of any changes.
- Social Distancing and Care: Please continue to practice social distancing when meeting in person. We are not requiring that masks be worn, but recommend a mask for those who prefer to wear one. And we encourage all those who are 65 years or older to continue to meet virtually. As a leader, based on these guidelines, you can decide what is best for the people in your group.

This Week's Icebreaker Question:

What is your most crazy traveling experience? What is your favorite thing about traveling?

Sermon Specific Questions:

1. Acts 3:1-10 says, "One day Peter and John full of the Holy Spirit came to the temple." They came upon a lame man and said to him "silver and gold we do not, have but what we have we give to you." Sometimes people end the sentence with what they don't have as an excuse not to give. What excuses are you making to not give what you have to others?

2. God is a God of movement. Yet, it is in our DNA to get stuck. We can see that by looking at the example of Adam and Eve in the garden when they got "stuck" at the tree they weren't supposed to take from. Where are you stuck in your life? Where are you asking God to help you move? Or, are you in a season where you feel like you have found movement and you are grateful, share that story.

3. Peter and John were two different men in their age, personality, etc. But there is power even in our differences. The world wants to divide people, but God wants them to collaborate. Check your circle. Check who you are connected with. Are there people who don't want you to move, and are helping to keep you stuck? Who can you identify in your life that helps move you forward and how can you be intentional to put more effort into those relationships?
