

# VISION 2020

## **This Week's Icebreaker Questions:**

What's your favorite Super Bowl party food/snack?

## **Sermon Specific Questions:**

1. What elements from Vision Sunday are you really excited about?
2. Ephesians 2:19 is a great description of what God is doing at James River Church. There is a blessing when we are a part of what God is doing. What are some ways you have seen God's blessing in your life over the past year as you have been a part of the building of God's House?
3. Read Isaiah 54:2-4. The Message paraphrases, "Spread out! Think Big!..." which encourages us to prepare and expect God to do even greater things. What do you expect God to do in James River Church in 2020? In this Life Group in 2020? In your family/personal life in 2020? How would you answer the same questions when it comes to what you expect God to do over the decade?
4. Read Psalm 32:8 in reflection to this statement: *We get ready for the future by doing all that we can do now.* How does this verse encourage you when it comes to investing immediately into the future by praying, serving, and giving? What are some ways you have recently experienced God's blessings in your life because you have been praying, serving, and giving?
5. We see in passages like Exodus 19:10-11 and Joshua 3:5 where God desires His people to consecrate themselves in preparation for an even greater future. What does spiritually consecrating mean for yourself? What is one thing you desperately desire God to do in your life this year, and do you feel that God is calling you to a spiritual consecration in order to experience it?
